West Cork Rally 2020 Entry Fee Refund Information

Dear Competitors,

As you are all aware, the organising team of the 2020 Clonakilty Park Hotel West Cork Rally made a very tough but appropriate decision to postpone the event on Thursday March 12th. We made this decision to safeguard the health and wellbeing of all concerned against the threat of the Covid 19 virus.

Postponing an event of the scale of The West Cork Rally, less than 24 hours before it commences equates to a huge financial loss for Cork Motor Club. Many tens of thousands of Euros were already committed to the event by our club, most of which is unrecoverable.

The directors of Cork Motor Club have considered our situation at length over the last week. We have also considered the wider implications that Covid 19 is likely to have on some competitors' incomes and livelihoods – which we feel, far outweigh any implications to our club. As a result, we have made the decision to refund all entry fees in full.

Processing of the refunds has commenced this evening. We would ask for your patience while we complete the task of processing over 180 separate transactions. We will complete the refunds as quickly as possible rest assured.

Once again thank you all for supporting The West Cork Rally and we look forward to seeing you all back in Clonakilty when we are all safe and ready to rally once more. Yours in Motorsport.
